Walked (9)_____ me, all (10)_____ me

Help me, help me doctor

It (11)_____ to be an awful lot for me to understand

I know I'm not a specimen

The troubles and the (12)_____ I'm in

I should be dead

He said, let's all think

Then you've had all your fun

It's time to be a man

So you (13)_____ quit your bitc*ing

Think about what the people (14)_____ say

It's not on me, it's all on you

I can't prescribe what you want me to

You need some sleep, you better leave

He (15)_____ over me, all over me

Wait until tomorrow, and it's gone

So long

Wait until tomorrow, so long

And it's gone

Wait until tomorrow

You beg and steal and borrow till it's gone

-He don't got a lot but he's got all he needs-

I need someone to love

-And all he's got (16)_____ it's all (17)_____ he needs-

Somebody help me because

I could (18)_____ the (19)_____ in the tube

To get me through anything

I do and anything will do good by me

A little pill, a (20)_____ thrill

Should I take it? I (21)_____ I will

And anything will do good so

As (22)_____ as it's always too good

Either way I don't give a (23)_____

What you people all say

All now boy

It's not on me, it's all on you

I can't deny the things I do

I can't (24)_____ her pretty (25)_____

Walked (26)_____ me, all (27)_____ me

It's not on me, it's all on you

There comes a (28)_____ to (29)_____ the truth

So you can see me when I leave

Walk over you, all over you yeah
