

Fill in the gaps

Have you seen my hands?	I hear the alarm
Just (1) at (2) shake	I used to (14) when she (15) sleep in
And the song just keeps on repeating	my arms
(3) the needle again	But better (16) says:
And I (4) (5) (6) ghost	Hey, turn the (17) over
Oh, but that ain't the way	Hey, I'll see you on the flip-side
I can't move on and I can't stay the same	There you go, turn the key and (18) over
And all my (7) say:	Let her go, let somebody else lay at her feet
Hey, turn the record over	And all my friends say:
Hey, I'll see you on the flip side	Hey, turn the (19) over
There you go, turn the key and (8) over	Hey, I'll see you on the flip-side
Let her go, let (9) else lay at her feet	There you go, (20) the key and engine over
But (10) you (11) my heart?	Let her go, let somebody else lay at her feet
Have you seen how it bleeds?	Where you used to be
And the (12) are so long baby	Where you (21) to be
Out (13) in the deep	(22) you (23) to be (24)
The tick - ticking of hours, lonely	(25) me
