## Doom and gloom by The Rolling Stones

I had a dream last night		Baby take a chance
I was piloting a plane		Baby won't you dance with me?
And all the passengers (1)	drunk and insane	Baby won't you dance with me?
I crash (2) in a	Louisiana swamp	Fracking deep for oil but there's nothing in the sump
Shot up a horde of zombies		There's kids all picking at the garbage dump
But I come out on top		I am (8) out of water so I better prime the
What's it all about?		pump
Guess it just reflects my mood		I am trying to stay sober but I end up drunk
Sitting in the dirt		We'll be eating dirt
Feeling kind of hurt		Living on this side of the road
All I hear is doom and gloom		There's some food for thought
And all is (3)	in my room	Kind of makes their heads explode
Through the light, your face I see		Feeling kind of hurt
Baby take a chance		But all I hear is doom and gloom
Baby won't you dance with me?		And all is darkness in my room
Lost all the treasure in an overseas war		Through the night, your face I see
It just goes to show you don't get what you paid for		Baby, (9) on
Bowing to the rich and you worry about the poor		Baby won't you dance with me?
Put my feet up on the couch and lock out the doors		Baby won't you dance with me?
(4) a funky (5)		I'm feeling kind of (10)
That's the tightening of the screws		Baby won't you dance with me?
Feeling (6) of hurt		Come on, dance with me
Sitting in the dirt		I'm sitting in the dirt
All I hear is doom and gloom		Baby won't you dance with me?
But when those drums go boor	n boom boom	
And through the night, your (7)	) I see	

- 1. were
- 2. landed
- 3. darkness
- 4. Hear
- 5. noise
- 6. kind
- 7. face
- 8. running
