Fill in the gaps

You had me at hello by A day to remember

I'm missing you so much	And I'm wasting away, away from you
I'll see you die tonight	What have I gotten into this time around?
Just so I can get to you before the sun will rise	I know that I had sworn I'd never trust anyone again
I know the signs are on and I feel this too	But I didn't have to
None of that seems to matter when I'm holding you	You had me at hello
And I'm wasting away, away from you	-You gave me butterflies at the mailbox-
And I'm wasting away, (1) from you	You had me at hello

I've never seen a smile	anyone again
That can light the room like yours	But I didn't have to
It's simply radiant	You had me at hello
It's even (5) with everyday that goes by	You had me at hello
I watch the clock so I can make my timing just right	You had me at hello
Would it be okay? (6) it be okay?
