## Skyfall (BSO James Bond) by Adele

This is the end	At skyfall
Hold your breath and count to ten	-Let the skyfall, when it crumbles
Feel the earth move and then	We will stand tall
Hear my (1) burst again	Let the skyfall, when it crumbles
For this is the end	We will (4) tall-
I've drowned and dreamt this moment	(5) you go I go
So overdue I owe them	What you see I see
Swept away, I'm stolen	I know I'd never be me
Let the skyfall when it crumbles	(6) the security of your (7)
We will stand tall	arms
Face it all together	Keeping me from harm
Let the skyfall, when it crumbles	Put your hand in my hand
We will stand tall	And we'll stand
Face it all together	Let the skyfall, when it crumbles
At skyfall, at skyfall	We will stand tall
Skyfall is where we start	Face it all together
A thousand miles and poles apart	Let the skyfall, when it crumbles
Where worlds collide and days are dark	We will stand tall
You may have my number	(8) it all together
You can (2) my name	Let the skyfall, when it crumbles
But you'll (3) have my heart	We will stand tall
Let the skyfall, when it crumbles	(9) it all together
We will stand tall	At skyfall
Face it all together	Let the skyfall
At skyfall, at skyfall	We will stand tall
Let the skyfall, when it crumbles	At skyfall
We will stand tall
