

## Fill in the gaps

My neart (1)	sank the moment I saw you	To mug myself again
You're the image of a girl, that I used to know		(3) it's another chance
Don't be alarmed if it seems hard for me to explain		(4) sure I'll (5) things up in the same
But every detail of your face, makes me recall the name		way
I'm treading water		(6) it's another chance
I keep treading water		To mug myself again
Maybe it's another chance		It's my concentration
To mug myself again		Seems spread too thin
Maybe it's another chance		And when you speak, my eyes glaze over
I'm sure I'll f*ck things up in the same way		I'm sorry girl, it's not you it's her
Maybe (2)	another chance	And you're another chance
To mug myself agair	ı	To mug myself again
Can you forgive the things I do?		Baby you're another chance
That I can't amend		I'm sure I'll f*ck things up in the same way
Not the way I yearn for her		Baby it's another chance
I hope you can't pretend		Baby it's another chance
Girl you're a fire and you'll find		To mug myself again
That I want to get burnt		(7) you're another chance
No matter what you can teach me		I'm sure I'll (8) (9) up in the same
I'm sure I'll never learn		way
Treading water		Baby It's another chance
I keep treading water		To mug myself again
Maybe it's another cl	hance
