

Fill in the gaps

(1) been a while	Tive been under you too long
I'm not who I was before	If you (3) that I'm different, don't take it
You look surprised	personally
Your words don't burn me anymore	Don't be mad, it's just a brand new kind of me
Been meaning to tell you but I guess (2) clear	That ain't bad, I found a brand new kind of free
to see	It took a long, long road to get here
Don't be mad, it's just a brand new kind of me	It took a brave, brave girl to try
Can't be bad	I've taken one too many excuses
I found a brand new kind of free	One too many lies
Careful with your ego,	Don't be surprised, all saying you look surprised
He's the one that we should blame	If you were a friend you (4) get to (5)
Had to grab my heart back	me again
God know something had to change	If your (6) worth a while
Thought that you'd be happy	You would be happy to see me smile
I found the one thing I need, why you mad?	I'm not expecting sorry
It's just a brand new kind of me	I'm too busy (7) myself
It took a long, long time to get here	I've got this, I've found me, I've found me
It took a brave, brave girl to try	I don't need your opinion, I'm not waiting for your okay
It took one too many excuses	I'll never be perfect, but at least now I'm brave
One too many lies	And now my heart is open, I can finally breathe
Don't be surprised, don't be surprised	Don't be mad, it's just a brand new kind of free
If I talk a little louder	(8) ain't bad, I found a (9) new kind
If I speak up when you're wrong	of me
If I walk a little taller	Don't be mad, it's a brand new time for me
