

Fill in the gaps

I wanna wake you up	I wanna say it (12)wanna say it
I can hardly hear my footsteps	straight-
In the falling darkness	We could be whatever we dream
I can barely wait to see you	Something really (13)something really good-
In your apartment	(14) let yourself get to it
We were (1) for the (2)	_ In your apartment
times we wanted	We were (15) for the better times we
We (3) sorry (4) the distance	wanted
(5) more than we'd prepared	We were sorry that the distance
We could do it again	(16) more than we'd prepared
-we (6) do it again-	Can't you see (17) own obsessions?
Just another (7) this time	Can't you see you're counting days?
Were you ever scared?	Can't you see I'm only happy
-were you ever scared?-	When you're in the house?
Did you seek for reasons to get	You (18) know I'm only waiting
Far away from all the travelling	For the times we never had
And (8) on the phone?	You (19) know it's all (20)
Can't you see it's only what we've been	of
Can't you see the threads?	You're not in the house -you're not in the house-
Can't you see your own obsessions?	Can't you see we're going nowhere?
Can't you see you're (9) days?	Can't you see you're counting days?
Can't you see I'm only happy	Can't you see I'm only happy
When you're in the house?	When you're in the house?
You (10) know I'm only waiting	Can't you see my only vision?
For the (11) we never had	Can't you see I'm counting days?
You should know it's all because of	You (21) know I can't be happy
You're not in the house	Till you're in the house
