I saw (1) picture in a magazine	The past and the present just won't (5) me
You looked bigger, brighter, stronger than everything	alone
And I stood and (2) how you left	Now I see, I do, I feel I can let go
he scene	You took me by surprise and then again and again
As you were telling everybody about your dreams	Oh I see, I do, I feel I can let go
Many times I've been trying to leave you behind me	Knowing you is killing me (6) and again
So many times your ghost has followed me home	Well it doesn't make sense
Now I see, I do, I feel I can let go	Well it doesn't make sense
You took me by surprise and then again and again	I saw (7) picture in a magazine
Oh I see, I do, I feel I can let go	You looked bigger, brighter, (8) than
Knowing you is killing me again and again	everything

Your hands were steady and your aim was true	You (9) me by surprise and then again and again
A lot of people here, they looked up to you	Oh I see, I do, I feel I can let go
You spoke for a minute, said you made the team	Knowing you is killing me again and again
Now I'm repeating every word, every thing	Well it doesn't make sense
