

Fill in the gaps

I saw your picture in a magazine	The (13) and the (14) just won't
You looked bigger, brighter, stronger (1)	leave me alone
everything	Now I see, I do, I feel I can let go
And I stood and remembered how you left the scene	You took me by (15) and then again and
As you were telling everybody about your dreams	again
Many times I've been (2) to leave you behind	Oh I see, I do, I (16) I can let go
me	(17) you is (18) me
So many times your ghost has followed me home	again and again
Now I see, I do, I (3) I can let go	(19) it doesn't (20) sense
You took me by surprise and then (4) and again	(21) it doesn't (22) sense
Oh I see, I do, I feel I can let go	I saw (23) picture in a magazine
Knowing you is (5) me again and again	You looked bigger, brighter, stronger than everything
Well it doesn't make sense	Now I see, I do, I feel I can let go
Your hands were (6) and (7) aim	You took me by (24) and then again and
was true	again
A lot of (8) here, they looked up to you	Oh I see, I do, I (25) I can let go
You spoke for a minute, said you made the team	(26) you is killing me again and again
Now I'm (9) every word, every thing	Well it doesn't make sense
(10) times I've (11) trying to	
(12) you behind me
