

Fill in the gaps

Mr. Rock & Roll by Amy Macdonald

So called Mr. Rock And Roll	But now he wants to be free, (14) so he can see
Is dancing on his own again	And they'll meet one day
(1) on his (2) again	Far away and say:
To someone who (3) him that his balance is low	I wish I was (15) more
He's got no (4) to go	And they'll meet one day
He's on his own again	Far (16) and say:
Rock (5) of the century	I wish I knew you, I (17) I (18) you
Is acting (6) she used to be	before
Dancing like there's no one there	He says: I (19) I (20) you,
Before she never seemed to care	I wish I met you when time
Now she wouldn't dare	Was still on my side
It's so rock and roll to be alone	She'll say: I wish I knew you
And they'll (7) one day	I (21) I loved you (22) I was his
Far away and say:	bride
I wish I was (8) more	And so they must depart
And they'll meet one day	Too many more are broken hearts
Far away and say:	But I've seen that all before
I (9) I knew you, I (10) I knew you	In TV, books and film and more
before	And there's a (23) ending every single day
Mrs Black and White	And they'll meet one day
She's never seen a shade of grey	Far (24) and (25)
(11) something on her mind	I wish I was (26) more
(12) single day but now she's lost her way	And they'll meet one day
And where does she go from here	Far (27) and say:
Mr. Multicultural	I wish I knew you, I wish I knew you before
Sees all that one can see	
He's living (13) of someone very different to me
