Fill in the gaps

Mr. Rock & Roll by Amy Macdonald

So called Mr. Rock And Roll	But now he wants to be free, (8) so he can see
Is dancing on his own again	And they'll meet one day
(1) on his phone again	Far away and say:
To someone who tells him that his balance is low	I wish I was something more
He's got no where to go	And they'll meet one day
He's on his own again	Far away and say:
Rock chick of the century	I wish I knew you, I wish I (9) you before
Is acting like she used to be	He says: I wish I knew you,
Dancing like there's no one there	I wish I met you when time
(2) she never seemed to care	Was still on my side
Now she wouldn't dare	She'll say: I wish I knew you
It's so rock and roll to be alone	I wish I loved you before I was his bride
And they'll meet one day	And so they must depart
Far away and say:	Too many more are broken hearts
I wish I was something more	But I've seen that all before
And they'll meet one day	In TV, books and film and more
Far away and say:	And there's a happy ending every (10) day
I wish I knew you, I wish I knew you before	And they'll meet one day
Mrs (3) and White	Far away and say:
She's never seen a shade of grey	I wish I was something more
(4) something on her mind	And they'll meet one day
Every single day but now she's (5) her way	Far away and say:
And where (6) she go from here	I wish I knew you, I wish I knew you before
