

## Fill in the gaps

You're not the type	There's no one else (14)
Type of girl to remain	Thinking you're the girl for me
With the guy, with the guy too shy	I'm just saying it's fine by me
Too afraid to say	If you never leave and we can lay (15)
(1) give his heart to you forever	(16) forever
I'm not the boy that would (2) to his knees	It's fine by me
With his (3) clasped tight	I'm just saying it's fine by me
Begging, begging you please	If you never (17) and we can lay like
To stay with him for worse for better	(18) forever
But I'm staring at you now	It's (19) by me
There's no one else around	And it's never easy
Thinking (4) the (5) for me	But darling believe me (20) a
(6) just saying it's fine by me	(21) issue
if you never leave and we can lay like this forever	But (22) I think of life (23) us
It's fine by me	It (24) like: what're we supposed to do?
In the past I would try try hard	But I don't wanna come on to strong
To (7) to a girl (8)	I'm just saying it's fine by me
get too far	If you never leave and we can lay (25) this forever
It always somehow seem to fall apart	It's fine by me
And you you you I could see (9) I need	It's fine by me
I could dream (10)	If you (26) leave and we can lay like this forever
And knew it this was (11) from the	It's fine by me
start	I'm just saying (27) fine by me
And it seems (12) every time we're eye to eye	If we never leave and we can lay (28) this forever
I can find another piece of you (13) I don't want to	It's fine by me
lost	
And I'm staring at you now
