

## Fill in the gaps

I (1) go to the sun	And (16) the lonely
Hold my (2) like I've never done	Only the (17) fall
But it's just the devil in me	Only the lonely
The devil that's (3) as I (4)	Only the lonely fall
undone	Fall
The sky is (5) dark tonight	Oh, and I go to the fire
Darker than the fear	But God know the sound of,
that's gonna (6) us apart	it's the sound of love
The (7) is the sound of love	It's the beat of my heart that you
The sound of (8) is beating (9) a	Finally beating, it's coming,
fevered heart	coming, coming for you
And it's the fire, the fire, the fire	And it's just the devil in me
It's heavenly, heavenly	It's (18) a (19) to the (20)
Desire, desire	gathered in disguise
Desire, desire	Taking me by the hand
I wanna lay in the dust	And leading me, leading me off to the fire
The (10) is (11) (12) here	And it's the fire, the fire, the fire
when I lie	It's heavenly, heavenly
God knows it's just the devil in me	Desire, desire
The devil that's taking my hand to the fire	Desire, desire
I never wanna (13) you now	You don't have to be lost
Leave you like the sun is gonna disappear	-Desire, desire-
But it's (14) now	You don't (21) to be lost
Believing in my heart is what I've come to fear	-Desire, desire-
And it's the fire, the fire, the fire	You don't have to be lost
It's heavenly, heavenly	-Desire, desire-
Desire, desire	
Desire, desire	
I've got desire, desire	
I've got desire, desire
