

Fill in the gaps

I (1) go to the sun	And only the lonely
Hold my (2) like I've never done	Only the (8) fall
But it's just the devil in me	Only the lonely
The devil that's calling as I (3) undone	Only the lonely fall
The sky is getting (4) tonight	Fall
Darker (5) the fear	Oh, and I go to the fire
that's gonna pull us apart	But God know the sound of,
The beating is the sound of love	it's the sound of love
The sound of love is beating like a fevered heart	It's the beat of my heart that you
And it's the fire, the fire, the fire	Finally beating, it's coming,
It's heavenly, heavenly	coming, coming for you
Desire, desire	And it's just the devil in me
Desire, desire	It's just a door to the devil gathered in disguise
I wanna lay in the dust	Taking me by the hand
The dust is gonna fall here when I lie	And (9) me, leading me off to the fire
God knows it's just the devil in me	And it's the fire, the fire, the fire
The devil that's taking my hand to the fire	It's heavenly, heavenly
I never wanna leave you now	Desire, desire
Leave you (6) the sun is gonna disappear	Desire, desire
But it's just believing now	You don't have to be lost
Believing in my (7) is what I've come to fear	-Desire, desire-
And it's the fire, the fire, the fire	You don't have to be lost
It's heavenly, heavenly	-Desire, desire-
Desire, desire	You don't have to be lost
Desire, desire	-Desire, desire-
I've got desire, desire	
I've not desire, desire	

1. wanna
