Businessmen drink my blood	ir i was scared, i would
Like the kids in art (1) (2) they	And if I was pure, you know I would
would	And if I was yours, but I'm not
And I guess I'll just begin again	Now I'm (7) to start
You say can we (3) be friends	If I was scared, I would
If I was scared, I would	And if I was pure, you know I would
And if I was bored, you know I would	And if I was yours, but I'm not
And if I was yours, but I'm not	Now I'm ready to start
All the kids have always known	Now I'm (8) to start
That the emperor wears no clothes	I would rather be wrong
But to bow down to them anyway	Than live in the shadows of your song
Is better than being alone	My mind is (9) wide
If I was scared, I would	And now I'm ready to start
And if I was bored, you know I would	Now I'm ready to start
And if I was yours, but I'm not	My mind is open wide
Now you're knocking at my door	Now I'm ready to start
Saying please come out against the night	Not sure you'll open the door
But I would rather be alone	To step out into the dark
Than pretend I feel alright	Now I'm ready
If the businessmen (4) my blood	
(5) the kids in art school said (6) would	
Then I guess I'll just begin again	
You say can we still be friends
