

## Fill in the gaps

In the suburbs I	Sometimes I can't believe it
I learned to drive	I'm movin' past the feeling and into the night
And you told me we'd never survive	So can you understand?
Grab your mother's keys we're leavin'	Why I want a daughter while I'm (7) young
You always seemed so sure	I wanna (8) her hand
That one day we'd fight in	And show her some beauty
In a suburban world	Before this damage is done
your part of town gets minor	But if it's too much to ask,
So you're standin' on the opposite shore	it's too much to ask
But by the time the first bombs fell	Then send me a son
We were already bored	Under the overpass
We were already, already bored	In the parking lot we're still waiting
(1) I can't believe it	It's already passed
I'm movin' past the feeling	So move your feet (9) hot pavement
Sometimes I can't believe it	and into the grass
I'm movin' past the feeling again	Cause it's already passed
Kids (2) be so hard	It's already, already passed!
But in my dreams	Sometimes I can't believe it
we're still screamin' and runnin' (3) th	ne I'm movin' past the feeling
yard	Sometimes I can't believe it
And all of the walls	I'm movin' past the feeling again
that they built in the (4) finally fall	I'm movin' past the feeling
And all of the houses	I'm movin' past the feeling
(5) build in the (6) final	ly In my (10) we're still screamin'
fall	We're still screamin'
Meant nothin' at all	We're still screamin'
Meant nothin' at all	
It meant nothin	
Sometimes I can't believe it	
I'm movin' nast the feeling
