

## Fill in the gaps

### Apple of my eye by Ash Koley

My mother (1)\_\_\_\_\_ to tell me you're the apple of my eye

And let us see who does not blink first

Not I, not I

Now I wish to tell you, you are mine

All things changing,

I like to steal a smile from you

Us just getting by

A kiss from time to time

You're still the (6)\_\_\_\_\_ of my eye

Whatever doesn't get me off your mind

Unchanging, always side to side

Move side to side

You are the apple of my eye

And let me get a good look at you

The apple of my eye

Eye to eye

Let our sun (7)\_\_\_\_\_ bright

And let us see who does not blink first

So everyone can hear it

Not I, not I

Day and night

All things changing,

It'll be our (8)\_\_\_\_\_ secret

Us (2)\_\_\_\_\_ getting by

All things changing,

You're still the apple of my eye

Us (9)\_\_\_\_\_ (10)\_\_\_\_\_ by

Unchanging, always (3)\_\_\_\_\_ to side

You're still the apple of my eye

You are the apple of my eye

Unchanging, always side to side

I feel like we got through the door

You are the apple of my eye

when no one was looking

The apple of my eye

But we're still (4)\_\_\_\_\_ from the outside in

Move side to side

And let me get a good (5)\_\_\_\_\_ at you

Eye to eye
