

Fill in the gaps

Rock N Roll by Avril Lavigne

- Hello... Okay, well, how much more obvious can I make it?...

He was a boy, she was a girl... Okay, well I'm sorry, but if you don't get it by now I'm going to have to say goodbye, sir.

Let them know that we're still Rock and Roll

I don't care about my makeup

I like it better with my jeans all ripped up

Don't know how to keep my mouth shut

You say: so what? -what-

I don't care if I'm misfit

I like it better than the (1)_____ bull s**t

I am the mother fricking princess

You still love it

Some, somehow it's a little different

When I'm with you

You know what I really am all about

You know how it really goes

Some, somehow we'll be getting out

Of this town one day

You're the only that I want with me

You know how the story goes

When it's you and me

We don't need no one to tell us who to be

We'll keep turning up the radio

What if you and I just put up

A middle finger to the sky

Let them know we're still (2)_____ and Roll

(3)_____ and Roll, hey

Rock and Roll, hey

Call it a bad attitude dude

I'm (4)_____ going to cover up that tattoo

I might have a couple issues

You say: me too -yeah-

Don't care about a reputation

Must be living in the wrong generation

This is (5)_____ invitation

Let's get wasted

Some, somehow it's a (6)_____ different

When I'm with you

You (7)_____ what I really am all about

You know how the story goes

- I told you we shouldn't have let him drive!

- He said he didn't have that much to drink

- You knew he had a drinking problem

- Oh, so this my fault!

- No one could lick his own balls quite like he could

- Never forget

- It's gonna be... okay

It was the first kiss for both of us. We never really talked about it afterward. But I think about the events of that day again and again and somehow I know that Winnie does too.

When it's you and me
