Fill in the gaps

I wish you were here by Avril Lavigne

I can be tough	Didn't think about it,
I can be strong	just we went with it
But with you, it's not like that at all	You're (18) there, you're everywhere
There's a girl	But right now I (19) you (20) here
that gives a shit	Damn, Damn, Damn,
behind this wall	What I'd do to have you here, here, here
You've just walked through it	I wish you were here.
And I remember,	Damn, Damn, Damn
all those (1) things you said	What I'd do to (21) you near, near
You (2) (3) riding (4)	I (22) you were here.
my head	No, I don't wanna let go
You're always there, you're everywhere	I (23) wanna let you know
But (5) now I (6) you (7)	That I never (24) let go
here	No, I don't wanna let go
All those crazy things we did	I just wanna let you know
Didn't (8) it,	That I (25) (26) let go
(10) we went (11) it	let go
You're always there, you're everywhere	Damn, Damn, Damn,
But right now I wish you were here	What I'd do to have you here, here, here
Damn, Damn, Damn,	I wish you (27) here -I wish you were
What I'd do to have you here, here, here	Damn, Damn, Damn
I wish you were here.	What I'd do to have you near, near, near
Damn, Damn, Damn	I wish you were here.
(12) I'd do to have you near, near, near	Damn, Damn, Damn,
I (13) you were here.	What I'd do to have you here, here, here
I love the way you are	I wish you were here.
It's who I am, don't (14) to try hard	Damn, Damn, Damn
We always say, say like it is	What I'd do to have you near, near, near
And the truth is that I really miss	I wish you were here.
All (15) crazy (16) you said	
You left them riding (17) my head	
You're always there, you're everywhere	
But right now I wish you were here.	
All those crazy things we did
