## Is There Something by Christopher Cross

Lately I see clouds of sorrow in your eyes	And I can't go on
Some deep (1) you can never quite	At least not like this
disguise	I don't want to lose you
Now I'm scared to ask what it's leading to	But what's the use of holding on
But I'm more afraid of not asking you	I don't (9) have you
Is there something that you want to tell me	If the feeling's gone
Is there something that I (2) to know	Is there something I can do to reach you
Are we something that's (3) (4)	Are we (10) more than history
fighting for	If there's no way to convince you to stay
Or (5) I simply let you go	And be the way we used to be
Is there something I can do to reach you	Then there's something that I want to tell you
Are we something more than history	And I want you to believe it's true
I'll find some way to convince you to stay	We had something that I'll never forget
If you just tell me honestly	Even if I wanted to
Is there something (6) of you and me	'Cause part of me will always be with you
You've got secrets you've (7) keeping for too long	
And I'm going (8) acting like there's nothing	
wrong	
I can taste the truth every time we kiss
