

## Fill in the gaps

Well I met an old man dying on a train
No more destination no more pain
Well he said: "one thing, before I graduate
Never let your fear decide your fate"
I say you kill your heroes and fly, fly, baby don't cry
No need to worry because everybody will die
Every day we just go, go
Baby don't go
Don't you worry we love you more than you know
Well the sun one day (1) leave us all behind
Unexplainable (2) in the sky
(3) I (4) to be the one to ruin the night
Right before your right before your eyes
I say you kill your heroes and fly, fly, baby don't cry
No need to worry (5) everybody will die
Every day we just go, go
Baby don't go

Don't you worry we love you more than you know
Well I met an old man dying on a train
No more destination no more pain
Well he said: "One thing, before I graduate
Never let your (6) decide your fate."
I say you (7) your heroes and fly, fly, (8)
don't cry
No need to worry because everybody will die
Every day we just go, go
Baby don't go
Don't you worry we love you more than you know
I say you kill your heroes and fly, fly, baby don't cry
Don't you (9) because everybody
(10) die
Every day we just go, go
Baby don't go
Don't you worry we love you more than you know
