I don't know what I was looking for		dancing to the British accent
and I'm not sure I found it		So London took my virginity
I (1) a note to my dad saying		London took my breath away
"I will be (2) for about ten days or more"		London (8) my past
With my (3) (4)	in a	But London left me the Swedish sin
hard case		Suddenly I heard this voice inside saying
and a bag full of women's clothes		"you're falling into disgrace"
I bought a stand by ticket		You weren't raised to behave this way
to the airport in Stansted		I started cry as I left the place
It felt like I was home		So London took my virginity
I exchanged my Swedish money		London took my breath away
I exchanged my Swedish life		London (9) my past
And I exchanged my Swedish gender		But London left me the Swedish sin
But I kept the Swedish sin		So London took my virginity
I got a (5) old room at the Avon Hotel		London took my breath away
and the doves woke me up in the morning		London (10) my past
I was thinking to myself this could be heaven or above		But London left me the Swedish sin
I put my make up on and I went out on the street		
I found a club for people (6) me
