Nightmares by Billie the vision & the dancers

Where are you Pablo,
I've looked everywhere for you.
Where are you Pablo,
why don't you answer the phone.
Where are you Pablo,
why don't you open the door?
Did you go to your brother in Stockholm,
did you go to London again?
What's going on Pablo,
tell me what the fucks going on,
where are you Pablo?
And everything went upside down in a second
and I couldn't go back to sleep
and I cannot breathe
as long as I got this one hell of a bad disease.
And the nightmares came over me again.
And my intention was not to hurt you
but I guess that's what I did.
All the times I've tried to explain to you
what's going on inside my head.
And the nightmares came over me again.
You know I need you I'd never let you go.
I love you Pablo.
You said you'd never leave me, where are you Pablo?

so don't expect from me to cope.
And the nightmares (7) _____ over me again.
And I (8) _____ shoot me if you really hate me
and then he shot me in the head.
And I could see it all happen right before my eyes
and I was lying down there dead.
