

## Fill in the gaps

I'm finding my heart, using my hands	When I'm down
You're my (1) on the ground, my footprints	And if I fall apart
From where I began	You (16) where to (17) my pieces
I still (2) (3) love	When they're going to be found?
I (4) your love	You light me up
We start running, running	When all I see is darkness
Till we escape (5) town	You light me up
We don't know where we're (6)	When I'm down
Till we turn up	And if I (18) apart
Now keep on running, running	You know where to (19) my pieces
I can't slow down	When they're going to be found?
And if I'm (7) my shadow's fallen	I'm finding my heart, using my hands
You light me up	You're my feet on the ground, my footprints
When all I see is darkness	(20) where I began
You light me up	I still carry your love
When I'm down	I feel your love
And if I fall apart	You light me up
You (8) where to find my pieces	When all I see is darkness
When they're going to be found?	You light me up
Keep my eyes shut	When I'm down
(9) in distrust	And if I fall apart
You're all (10) I need	You know where to find my pieces
My (11) shining on me	When they're (21) to be found?
I still carry your love	You light me up
I feel your love	When all I see is darkness
We (12) running, running	You (22) me up
Till we escape this town	When I'm down
We don't know (13) we're going	And if I fall apart
Till we (14) up	You know where to (23) my pieces
Now keep on running, running	When they're (24) to be found?
I can't slow down	I'm finding my heart, using my hands
And if I'm lost my shadow's fallen	You're my (25) on the ground, my footprints
You (15) me up	
When all I see is darkness	
You light me up
