Fill in the gaps

When I'm down
And if I fall apart
You know where to find my pieces
When they're going to be found?
You light me up
When all I see is darkness
You light me up
(8) I'm down
And if I fall apart
You know where to find my pieces
When they're going to be found?
I'm finding my heart, using my hands
You're my feet on the ground, my footprints
From where I began
I (9) carry your love
I feel your love
You light me up
When all I see is darkness
You light me up
When I'm down
And if I fall apart
You know where to find my pieces
When they're going to be found?
You light me up
When all I see is darkness
You light me up
When I'm down
And if I fall apart
You (10) where to find my piece
When they're going to be found?
I'm finding my heart, using my hands
You're my feet on the ground, my footprints
