

Sunlight comes creeping in Illuminates our skin We watch the day go by Stories of all we did It made me think of you It made me think of you Under a trillion stars We danced on top of cars Took pictures of the state So far from where we are They made me think of you They made me think of you Oh, lights go down in the (1)_ We're lost and found I just want to be by your side If these wings could fly For the rest of our lives I'm in the foreign state My thoughts, (2)_ ____ slip away My words are leaving me They caught an airplane

Because I thought of you
