

Wings by Birdy

Sunlight comes creeping in

Illuminates our skin

We watch the day go by

Stories of all we did

It made me think of you

It made me think of you

Under a trillion stars

We danced on top of cars

Took pictures of the state

So far from where we are

They made me think of you

They made me think of you

Oh, lights go down in the moment

We're (1)_____ and found

I just (2)_____ to be by your side

If these wings could fly

For the (3)_____ of our lives

I'm in the (4)_____ state

My thoughts, they slip away

My words are leaving me

They caught an airplane

Because I thought of you

Fill in the gaps

Just from the thought of you

Oh, lights go down in the moment

We're (5)_____ and found

I just want to be by (6)_____ side

If these wings could fly

Oh damn, these walls

In the moment we're ten feet tall

And how you told me after it all

We'd remember tonight

For the rest of our lives

If these (7)_____ could fly

Oh, lights go down in the moment

We're lost and found

I just want to be by your side

If these (8)_____ could fly

Oh damn, these walls

In the moment we're ten feet tall

And how you told me after it all

We'd remember tonight

For the (9)_____ of our lives
