

Wings by Birdy

Sunlight comes creeping in
Illuminates our skin
We (1)_____ the day go by
Stories of all we did
It (2)_____ me think of you
It made me (3)_____ of you
Under a (4)_____ stars
We danced on top of cars
Took pictures of the state
So far from where we are
They made me think of you
They made me think of you
Oh, lights go down in the moment
We're lost and found
I just want to be by your side
If these (5)_____ could fly
For the rest of our lives
I'm in the foreign state
My thoughts, they slip away
My words are leaving me
They caught an airplane
Because I thought of you

Fill in the gaps

Just from the thought of you
Oh, lights go down in the moment
We're lost and found
I just want to be by your side
If these wings could fly
Oh damn, these walls
In the moment we're ten feet tall
And how you told me after it all
We'd remember tonight
For the rest of our lives
If these wings (6)_____ fly
Oh, lights go down in the (7)_____
We're lost and found
I just want to be by (8)_____ side
If these wings could fly
Oh damn, these walls
In the moment we're ten (9)_____ tall
And how you told me after it all
We'd remember tonight
For the rest of our lives
