Shelter by Birdy

Fill in the gaps

I find shelter, in this way
Under cover, hide away
Can you hear when I say
I (1) never (2) this way?
Maybe I have said
Something that was wrong
Can I make it better
With the lights turned on?
Maybe I have said
(3) (4) was wrong
Can I make it better
With the lights turned on?
Can I be? Was I there?
It felt so crystal in the air
Teroit do drydtar in the air
I still want to (5) whenever you leave
