Shelter by Birdy

Fill in the gaps

I find shelter, in this way
Under cover, (1) away
Can you hear when I say
I have never felt this way?
Maybe I have (2)
Something that was wrong
Can I make it (3)
With the lights turned on?
Maybe I have said
Something that was wrong
Can I make it better
With the lights turned on?
Can I be? Was I there?
It felt so crystal in the air
I still want to (4) whenever you leave
I still want to (4) whenever you leave
I still want to (4) whenever you leave (5) me gently how to breathe
I still want to (4) whenever you leave (5) me gently how to breathe And I'll cross oceans like never before
I still want to (4) whenever you leave (5) me gently how to breathe And I'll cross oceans like never before So you can (7) the way I feel it too
I still want to (4) whenever you leave (5) fe me gently how to breathe And I'll cross oceans like never before So you can (7) the way I feel it too And I'll sing images back at you
I still want to (4) whenever you leave (5) (6) me gently how to breathe And I'll cross oceans like never before So you can (7) the way I feel it too And I'll sing images back at you So you can see the way I (8) it too
