Shelter by Birdy

Fill in the gaps

I find shelter, in this way
Under cover, hide away
Can you hear (1) I say
I have never felt this way?
Maybe I have said
Something that was wrong
Can I make it better
(2) the lights turned on?
Maybe I have said
Something that was wrong
Can I (3) it better
With the lights (4) on?
Can I be? Was I there?
It felt so crystal in the air
I still want to (5) whenever you leave
I still want to (5) whenever you leave Please teach me gently how to breathe
Please teach me gently how to breathe
Please teach me gently how to breathe And I'll cross oceans like never before
Please teach me gently how to breathe And I'll cross oceans like never before So you can feel the way I feel it too
Please teach me gently how to breathe And I'll cross oceans like never before So you can feel the way I feel it too And I'll sing images back at you
Please teach me gently how to breathe And I'll cross oceans like never before So you can feel the way I feel it too And I'll sing images back at you So you can see the way I feel it too
Please teach me gently how to breathe And I'll cross oceans like never before So you can feel the way I feel it too And I'll sing images back at you So you can see the way I feel it too Maybe I (6) said
Please teach me gently how to breathe And I'll cross oceans like never before So you can feel the way I feel it too And I'll sing images back at you So you can see the way I feel it too Maybe I (6) said Something (7) was wrong
