Shelter by Birdy

Fill in the gaps

I find shelter, in this way
Under cover, hide away
Can you hear when I say
I (1) never felt this way?
Maybe I have (2)
Something that was wrong
Can I make it better
With the lights turned on?
Maybe I (3) said
Something that was wrong
Can I make it better
With the lights turned on?
Can I be? Was I there?
It felt so crystal in the air
I still want to (4) whenever you leave
I still want to (4) whenever you leave Please teach me gently how to breathe
Please teach me gently how to breathe
Please teach me gently how to breathe And I'll (5) oceans (6) never before
Please teach me gently how to breathe And I'll (5) oceans (6) never before So you can feel the way I feel it too
Please teach me gently how to breathe And I'll (5) oceans (6) never before So you can feel the way I feel it too And I'll sing images back at you
Please teach me gently how to breathe And I'll (5) oceans (6) never before So you can feel the way I feel it too And I'll sing images back at you So you can see the way I feel it too
Please teach me gently how to breathe And I'll (5) oceans (6) never before So you can feel the way I feel it too And I'll sing images back at you So you can see the way I feel it too Maybe I have said
Please teach me gently how to breathe And I'll (5) oceans (6) never before So you can feel the way I feel it too And I'll sing images back at you So you can see the way I feel it too Maybe I have said Something that was wrong
