Shelter by Birdy

Fill in the gaps

I find shelter, in this way
Under cover, hide away
Can you hear when I say
I have never felt this way?
(1) I have said
Something that was wrong
Can I make it better
With the lights turned on?
Maybe I have said
Something (2) was wrong
Can I make it (3)
(4) the (5) turned on?
Can I be? Was I there?
It (6) so crystal in the air
I still want to drown (7) you leave
I still want to drown (7) you leave Please teach me gently how to breathe
Please teach me gently how to breathe
Please teach me gently how to breathe And I'll cross oceans like never before
Please teach me gently how to breathe And I'll cross oceans like never before So you can feel the way I feel it too
Please teach me gently how to breathe And I'll cross oceans like never before So you can feel the way I feel it too And I'll (8) images back at you
Please teach me gently how to breathe And I'll cross oceans like never before So you can feel the way I feel it too And I'll (8) images back at you So you can see the way I feel it too
Please teach me gently how to breathe And I'll cross oceans like never before So you can feel the way I feel it too And I'll (8) images back at you So you can see the way I feel it too Maybe I have said
Please teach me gently how to breathe And I'll cross oceans like never before So you can feel the way I feel it too And I'll (8) images back at you So you can see the way I feel it too Maybe I have said Something that was wrong
