\_\_ hearts

God knows (1) is hidin	g	In those (7) and (8)
In those weak and drunken hearts		Guess the loneliness came knocking
I guess you kissed the girls and made them cry		No one needs to be alone, no singing
Those hard-faced (2)	of misadventure	People (9) the people
God knows what is hiding		And if you're homesick
In those weak and sunken eyes		Give me your hand and I'll hold it
A (3) throng of muted angels		People help the people
Giving love but (4)	nothing back, oh	Nothing will drag you down
People help the people		Oh and if I had a brain, oh and if I had a brain
And if you're homesick		I'd be cold as a stone and rich as the fool
Give me (5) hand and I'll hold it		That turned all those good hearts away
People help the people		People help the people
And nothing will drag you down		And if you're homesick
Oh and if I had a brain, oh and if I had a brain		Give me your hand and I'll hold it
I'd be cold as a stone and rich as the fool		People help the people
That turned all those good hearts away		Nothing will drag you down
God knows what is hiding		Oh and if I had a brain, oh and if I had a brain
In this world of little consequence		I'd be cold as a stone and rich as the fool
Behind the tears, inside the lies		That turned all those good hearts away
A thousand (6) dying sunsets
