

## Fill in the gaps

| God knows (1) is hiding                          | In (11)              |
|--|----------------------|
| In those (2) and drunken hearts                  | Guess the (13)       |
| I (3) you kissed the girls and made them cry     | No one needs to b    |
| Those hard-faced queens of misadventure          | People (14)          |
| God knows (4) is hiding                          | And if you're home   |
| In those weak and sunken eyes                    | Give me your (15)    |
| A fiery throng of muted angels                   | People help the pe   |
| Giving love but getting nothing back, oh         | Nothing will (16)_   |
| People help the people                           | Oh and if I had a b  |
| And if you're homesick                           | I'd be (17)          |
| Give me your hand and I'll hold it               | That turned all tho  |
| (5) help the people                              | People (19)          |
| And (6) will (7) you down                        | And if you're home   |
| Oh and if I had a brain, oh and if I had a brain | (20)                 |
| I'd be cold as a stone and rich as the fool      | (22) it              |
| (8) turned all those (9) hearts away             | People help the pe   |
| God knows what is (10)                           | Nothing will drag y  |
| In this world of little consequence              | Oh and if I had a b  |
| Behind the tears, inside the lies                | I'd be cold as a sto |
| A thousand slowly dying sunsets                  | That (23)            |
| God knows what is hiding                         | away                 |

| In (11)  | (12)            | and drunken hearts  |
|--|-----------------|---------------------|
| Guess the (13)                                   |                 | came knocking       |
| No one needs to be alone, no singing             |                 |                     |
| People (14)                                      | the people      |                     |
| And if you're homes                              | ick             |                     |
| Give me your (15) and I'll hold it               |                 |                     |
| People help the peo                              | ple             |                     |
| Nothing will (16)                                | you do          | wn                  |
| Oh and if I had a brain, oh and if I had a brain |                 |                     |
| I'd be (17)                                      | _ as a stone ar | nd rich as the fool |
| That turned all those                            | e (18)          | _ hearts away       |
| People (19)                                      | the people      |                     |
| And if you're homes                              | ick             |                     |
| (20)   | me (21)         | hand and I'll       |
| (22) it  |                 |                     |
| People help the peo                              | ple             |                     |
| Nothing will drag yo                             | u down          |                     |
| Oh and if I had a brain, oh and if I had a brain |                 |                     |
| I'd be cold as a stone and rich as the fool      |                 |                     |
| That (23)  | all those       | good (24)           |
|  |                 |                     |

## 1. what

- 2. weak
- 3. guess
