I can't get my feet up off the edge I kind of like the little rush you get When you're standing close to death Like when you're driving me crazy Hold on as we crash into the earth A bit of pain will help you suffer When you're hurt, for real Because you are driving me crazy Bite (1)_____ lips, the word's a robbery Do you grin inside? You're killing me All along we talked of forever I (2)____ of think that we won't get better It's the longest start, but the end is not too far away Did you know? I'm (3)_____ to stay We'll stagger home (4)_____ midnight Sleep arm-in-arm in the stairwell We'll fall apart on the weekend These nights go on and on and on I can't (5)_____ voice out of my head All I hear are the many echoes of The (7)_____ words you said And it's driving me crazy

I can't find the best in all of this
But I'm always looking out for you
Because you're the one I miss
And it's driving me crazy
Bite your lips, the word's a robbery
Do you grin inside? You're killing me
All along we talked of forever
I kind of think that we won't get better
It's the longest start, but the end is not too far away
Did you know? I'm here to stay
We'll stagger (8) after midnight
Sleep arm-in-arm in the stairwell
We'll fall apart on the weekend
These (9) go on and on and on
We'll stagger home after midnight
Sleep arm-in-arm in the stairwell
We'll fall apart on the weekend
These nights go on and on and on
