Seven Nation Army by The White Stripes

rm gonna fight em all	And that aint what you want to near
A nation army couldn't hold me back	But thats what I'll do
They're gonna rip it off	And the (8) coming from my bones
Taking their time right (1) my back	Says find a home
And I'm talking to myself at night	I'm going to Wichita
Because I can't forget	Far from (9) (10) for evermore
Back and forth (2) my mind	I'm gonna work the straw
Behind a cigarette	Make the sweat drip out of every pore
And the message coming from my eyes	And I'm bleeding, and I'm bleeding, and I'm bleeding
Says leave it alone	Right before the lord
Don't want to hear about it	All the words are gonna bleed from me
Every (3) one's got a story to tell	And I will sing no more
Everyone knows about it	And the stains coming from my blood
From the (4) of England to the hounds of hell	Tell me go back home
And if I (5) it (6) (7)

I'm gonna serve it to you
