Seven Nation Army by The White Stripes

I'm gonna fight 'em all	And that aint what you want to hear
A nation army couldn't hold me back	But thats (5) I'll do
They're gonna rip it off	And the feeling coming from my bones
Taking (1) time right (2) my	Says (6) a home
back	I'm going to Wichita
And I'm talking to myself at night	Far from this opera for evermore
Because I can't forget	I'm gonna work the straw
Back and forth through my mind	Make the (7) drip out of (8) pore
Behind a cigarette	And I'm bleeding, and I'm bleeding, and I'm bleeding
And the message (3) from my eyes	Right before the lord
Says leave it alone	All the words are (9) (10) from me
Don't want to hear about it	And I will sing no more
Every single one's got a story to tell	And the stains coming from my blood
Everyone knows (4) it	Tell me go back home
From the Queen of England to the hounds of hell	
And if I catch it coming back my way	
I'm gonna serve it to you
