Seven Nation Army by The White Stripes

I'm gonna fight 'em all	And (5) aint what you want to hear
A nation army couldn't hold me back	But (6) what I'll do
They're gonna rip it off	And the (7) coming from my bone
Taking their time right (1) my back	Says find a home
And I'm talking to myself at night	I'm going to Wichita
Because I can't forget	Far from (8) (9) for evermor
Back and forth through my mind	I'm (10) work the straw
Behind a cigarette	Make the sweat drip out of every pore
And the message coming (2) my eyes	And I'm bleeding, and I'm bleeding, and I'm bleeding
Says leave it alone	Right before the lord
Don't want to hear about it	All the words are gonna bleed from me
Every single one's got a story to tell	And I will sing no more
Everyone knows (3) it	And the stains coming from my blood
From the Queen of England to the hounds of hell	Tell me go back home
And if I catch it coming (4) my way	
I'm gonna serve it to you
