Moonshine by Bruno Mars

Hello, you (1)_____

You look (2)_____ (3)_____ than the way you

did not before

And the moment that you kissed my lips you know

I started to feel wonderful

It's something incredible

There's sex in your chemicals

Oh, let's go

You're the best way I know

To escape the extra ordinary

This world ain't for you

And I know for damn sure this world ain't for me

Lift off and say goodbye

Just let your fire set me free

Moonshine, take us to the stars tonight

Take us to that (4)_____ place

That place we went the (5)_____ time, the last time

I know I was with you last (6)_____

But it feels like it's been so long

And everybody that's around they knows

That I'm not myself when you gone

It's good to see you again

Good to see you again

On top of the world

Is where I stand when you're back in my life

Life's not so bad when you're way up this high

Everything is alright, everything is alright

Moonshine, take us to the stars tonight

Take us to (7)_____ special place

That place we went the last time, the last time

Moonshine, your love it makes me come alive

Take us to that special place

That place we went the last time, the last time

Don't look down, don't you never look back

We are not afraid to die young and live fast

Give me good times, give me love, give me laughs

Let's take a ride to the sky

(8)_____ the night is gone

Moonshine, take us to the stars tonight

Take us to that special place

That place we went the last time, the last time

Moonshine, your love it makes me (9)_____ alive

Take us to that special place
