### Moonshine by Bruno Mars

Hello, you know  
You look even better than the way you did not before  
And the moment that you kissed my lips you know  
I started to feel wonderful  
It's something incredible  
There's sex in your chemicals  
Oh, let's go  
You're the best way I know  
To escape the extra ordinary  
This world ain't for you  
And I know for (1)\_\_\_\_\_ sure this world ain't for me  
Lift off and say goodbye  
Just let your fire set me free  
Moonshine, take us to the stars tonight  
Take us to that special place  
That place we went the last time, the last time  
I know I was with you last (2)\_\_\_\_\_  
But it feels like it's (3)\_\_\_\_\_ so long  
And everybody that's around they knows  
That I'm not (4)\_\_\_\_\_ when you gone  
It's good to see you again  
Good to see you again  
On top of the world

Is where I stand when you're back in my life  
Life's not so bad when you're way up this high  
Everything is alright, everything is alright  
Moonshine, take us to the stars tonight  
Take us to that special place  
That place we went the last time, the last time  
Moonshine, your love it makes me come alive  
(5)\_\_\_\_\_ us to that special place  
That place we went the last time, the last time  
Don't look down, don't you never look back  
We are not afraid to die (6)\_\_\_\_\_ and live fast  
Give me good times, give me love, give me laughs  
Let's take a ride to the sky  
Before the night is gone  
Moonshine, take us to the stars tonight  
Take us to that special place  
That place we (7)\_\_\_\_\_ the last time, the last time  
Moonshine, your love it (8)\_\_\_\_\_ me come alive  
(9)\_\_\_\_\_ us to that special place  
That place we went the last time, the last time
