

Oh for when I'm a billionaire

Billionaire by Bruno Mars & Travis

I (1) be a billionaire	Oh for when I'm a billionaire
(It would be) so fricking bad	I'll be playing basketball with the President
Buy all of the things I never had	Dunking on his delegates
Uh, I wanna be on the cover of Forbes magazine	Then I'll compliment him on his political etiquette
(2) next to Oprah and the Queen	Toss a couple milli in the air
Oh every time I close my eyes	Just for the heck of it
I see my name in shining lights	But keep the fives, twentys, tens,
A different city every night oh	And Bens completely separate
I swear the world better prepare	And yeah I'll be in a whole new tax bracket
For when I'm a billionaire	We in recession but let me take a crack at it
Yeah I would have a (3) like Oprah	I'll probably take whatever's left
I (4) be the host of, everyday Christmas	And just split it up
Give Travie a wish list	So everybody that I love
I'd (5) pull an Angelina and Brad Pitt	Can have a couple bucks
And adopt a bunch of babies	And not a single tummy around me
That ain't never had sh*t	Would (9) what hungry was
Give away a few Mercedes	Eating good sleeping soundly
Like here lady have this	I know we all have a similar dream
And last but not least	Go in your pocket pull out your wallet
Grant somebody their last wish	And put it in the air and sing
It's been a couple months since I've single so	I wanna be a billionaire
You can call me Travie Claus	So fricking bad
Minus the Ho Ho	Buy all of the things I never had
Get it, hehe,	Uh, I wanna be on the cover of Forbes magazine
I'd probably (6)	Smiling next to Oprah and the Queen.
Where Katrina hit	Oh every time I close my eyes
And damn sure do a lot more	I see my name in shining lights
Than (7) did	A different city every night oh
Yeah can't forget about me stupid	I swear the world better prepare
(8) I go I'mma have	For when I'm a billionaire
My own theme music	Oh for when I'm a billionaire
Oh every time I close my eyes	Oh for (10) I'm a billionaire
I see my name in shining lights	I wanna be a billionaire
A different city every night oh	So fricking bad
I swear the world better prepare	
For when I'm a billionaire
