## Fill in the gaps

\_\_\_\_\_ heart will end up

You'll tell me

Ah what do we have?	Baby baby please don't go away
Another pretty thang ready for me to grab	But when I play, I never stay
But little does she know	To every girl that I meet here this is what I say:
That I'm a wolf in sheep's clothing	Run run run away, run away baby
Because at the end of the night	Before I put my spell on you
It is her I'll be holding	You better get get get away get away darling
I love you so	(3) everything you heard is true
That's what you'll say	Your poor (4) heart will end up alone
You'll tell me	Because lord knows I'm a rolling stone
Baby baby please don't go away	So you better run run run away run away baby
But when I play, I (1) stay	See I ain't try to hurt you baby
So every girl that I meet here this is what I say	No, no, no I just wanna work you baby, yep yep
Run run run away, run away baby	See I ain't try to hurt you baby
Before I put my spell on you	No no, no I just wanna work you baby
You'd better get get away get away darling	If you're scared you better run -you better run-
Because everything you heard is true	You better run -you better run-
Your poor (2) heart will end up alone	You better run -you better run-
Because lord knows I'm a rolling stone	You better you better you better
So you better run run run away run away baby	Run run run away, run away baby
Well let me think let me think	Before I put my (5) on you

So many eager young bunnys	Because (7) you heard is true
That I'd like to pursue	(8) poor (9) heart will er
Now even now they eating out the palm of my hand	alone
There's only one carrot and they all gotta share it	Because lord knows I'm a rolling stone
