It's better if you don't understand		Yeah, I'm a monster but I'm no Frankenstein					
Because you won't know what it's like		And quite frank	dy				
Until you try		I've been feeling (4) in between my eyes			es		
You know I, I've been waiting on the (2)	_ side	I really can't explain what I feel inside					
And you, all you gotta do is cross the line		If you knew what I was, you'd run and hide					
I could wait a whole life time		Many have trie	d to go into the night	o into the night			
But you just gotta decide		(5)	over the line and c	ome (6)	alive		
You know I	В			But that's the price we pay			
I've been waiting on the other		When we living on the other side					
aiting on the other side		You know I, I've been waiting on the other side					
We would live forever		And you, all you	u gotta do is cross the	e line			
Who could ask for more		I could (7)	a whole (8)	time

I could wait a whole life time		It's better if you	ı don't understand				
But you just gotta decide		It's better if you	ı don't understand				
You know I, I've been waiting on the other
