

Fill in the gaps

Thinking about you by Calvin Harris

If I told you	In a moment, I know that everything could change
That this couldn't get (1) baby	And I know that my (6) would never be the same
And your heartbeat	You're the only one that's making sense to me
It lets me know you feel the same	When I close my eyes, you're the one I see
I can hold you	There's no other way I could ever be
(2) you safe until you fall asleep	Without you baby
Never worried	Now (7) I do, is all for loving you
Because I can (3) you what you need	It's not something that we used to
Now everything I do, is all for loving you	No other way to say, I need you every day
It's not something that we used to	And now I'm going to change my ways
No other way to say, I need you every day	And it's a part of you, I never want to lose
And now I'm going to change my ways	I'll do (8) you want me to
And it's a part of you, I never want to lose	Like any other day, I know I'll find a way
I'll do anything you want me to	And if ever I'm alone you'll say
Like any (4) day, I know I'll find a way	I'll be thinking about you
And if (5) I'm alone you'll say	I'll be thinking about you
I'll be thinking about you	I'll be thinking about you
I'll be thinking about you	I'll be thinking about you
I'll be thinking about you	I'll be thinking about you
I'll be thinking about you	I'll be (9) about you
I'll be thinking about you	I'll be thinking about you
I'll be thinking about you	I'll be thinking about you
I'll be thinking about you	
I'll be thinking about you
