

Fill in the gaps

Thinking about you by Calvin Harris

f I told you	In a moment, I know that everything could change
That this couldn't get better baby	And I know that my life would never be the same
And your heartbeat	You're the only one that's making sense to me
It lets me know you feel the same	When I (5) my eyes, you're the one I see
I can hold you	There's no other way I could ever be
(1) you (2) until you fall asleep	Without you baby
Never worried	Now (6) I do, is all for loving you
Because I can give you what you need	It's not something that we used to
Now everything I do, is all for loving you	No other way to say, I need you (7) day
It's not something (3) we used to	And now I'm going to change my ways
No other way to say, I need you every day	And it's a part of you, I (8) want to lose
And now I'm going to change my ways	I'll do anything you want me to
And it's a part of you, I never (4) to lose	Like any (9) day, I know I'll find a way
I'll do anything you want me to	And if ever I'm alone you'll say
Like any other day, I know I'll find a way	I'll be thinking about you
And if ever I'm alone you'll say	I'll be thinking about you
I'll be thinking about you	I'll be thinking about you
I'll be thinking about you	I'll be thinking about you
I'll be thinking about you	I'll be thinking about you
I'll be thinking about you	I'll be thinking about you
I'll be thinking about you	I'll be thinking (10) you
I'll be thinking about you	I'll be thinking about you
I'll be thinking about you	
I'll be thinking about you
