

## Fill in the gaps

<em>-Your chips are ready sir.</em>	It swept (16) heart of mine
<em>-Where's that, where's (1) pretty girl who</em>	And there is a hollow in me now -me now-
2) to, to be here?	So I put my faith in something unknown
<em>Where's today?</em>	I'm living on (17) sweet nothing
You took my heart and you handed it in your mouth	But I'm tired of hope (18) nothing to
And with the word all my love came rushing out	(19)
And every (3) it's the worst empty though	I'm (20) on such sweet nothing
By a single (4)	And it's hard to love
There is a hollow in me now -me now-	And it's hard to love
So I put my (5) in something	When you're giving me such sweet nothing
6)	Sweet nothing, sweet nothing
I'm (7) on such sweet nothing	You're giving me such sweet nothing
But I'm tired of (8) with nothing to hope	And it's not enough to (21) me that you care
I'm living on such sweet nothing	When we (22) know the words are
And it's hard to love	(23) air
And it's hard to love	You give me nothing
(9) you're giving me such sweet nothing	Nothing
Sweet nothing, sweet (10)	Sweet Nothing
You're giving me such (11) nothing	(24) Nothing
It isn't easy for me to let it go	
Because I swallow (12) single word	
And (13) whisper, (14)	
15)
