I need your love by Calvin Harris

Fill in the gaps

I need your love	Watch my eyes are filled with fear
I need your time	Tell me do you, you're the same ?
When everything's wrong	Hold me in your arms again
You make it right	I need your love
I feel so high	I need your time
I come (1)	When everything's wrong
I need to be free with you tonight	You make it right
I need your love	I feel so high
I need (2) love	I come (9)
I take a deep breath every time I pass your door	I need to be free with you tonight
I know you're (3) but I can't see you anymore	I need your love
And that's the reason you're in the dark	I need your love
I've been a stranger ever since we fell apart	All the years
I feel so out of the sea	All the times
Watch my eyes are filled with fear	You have never been to blame
Tell me do you (4) the same?	And now my eyes are open
Hold me in your arms again	And now my heart is closing
I need your love	And all the tears
I need your (5)	All the lies
When everything's wrong	All the waste
You make it right	I've been trying to make it change
I feel so high	And now my eyes are open
I go alive	I need your love
I (6) to be free with you tonight	I (10) your time
I need your love	When everything's wrong
I need your love	You make it right
Now I'm dreaming, will I ever find you now?	I feel so high
I (7) in (8) but I never make out	I come alive
What I mean to you, do I belong?	I need to be free
I try to fight this but I know I'm not that strong	
And I feel so helplessly
