

Fill in the gaps

I (1) your (2)	Watch my (15) are (16) with
I need (3) time	(17)
When everything's wrong	Tell me do you, you're the same ?
You make it right	Hold me in your (18) again
I feel so high	I need (19) (20)
I come alive	I need your time
I need to be (4) with you tonight	(21) everything's wrong
I need (5) love	You (22) it right
I need your love	I (23) so high
I take a deep breath (6) (7) I pass	I come alive
your door	I need to be (24) (25) you tonight
I know you're there but I can't see you anymore	I need (26) love
And that's the reason you're in the dark	I need your love
I've been a stranger ever since we fell apart	All the years
I feel so out of the sea	All the times
(8) my (9) are filled with fear	You have never been to blame
(10) me do you feel the same?	And now my eyes are open
Hold me in your arms again	And now my heart is closing
I need your love	And all the tears
I need your (11)	All the lies
When everything's wrong	All the waste
You (12) it right	I've been (27) to make it change
I (13) so high	And now my eyes are open
I go alive	I need your love
I need to be free with you tonight	I need your time
I need your love	When everything's wrong
I need your love	You make it right
Now I'm dreaming, will I ever find you now?	I feel so high
I walk in circles but I never make out	I come alive
What I mean to you, do I belong?	I need to be free
I try to (14) this but I know I'm not that strong	
And I feel so helplessly
